THE FAIR REWARDS

LibriVox.org

The Fair Rewards by Thomas Beer is a really distinguished novel. The writing is far above the average: it has style and sophistication and personality, intermingled with a truly vivid show of imagination. It even borders on brilliancy, but it is a hard, cold, cynical sort of brilliancy that chills. The title itself is indicative of cynicism.

Total running time: 6:39:14

Read by Greg W.

Meta-Coordinator: Karen Savage

Dedicated Proof-Listener: Neeru Iyer

On the cover: *Woman At Her Toilette* by Henri Toulouse-Lautrec (1864-1901)

Cover Design by Neeru Iyer
